Many a Friend Recommends

BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it. . . . Mrs. Jos. G. Roberts, of Prattsville, Ala., writes: "A friend recommended Black-Draught to me a long time ago, and it proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have." . . . A purely vegetable medicine for the relief of

Time Lost Is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgia, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

ALKA-SELTZER

The New Pain Relieving, Alkalizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, effective, non-laxative.

Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.

EYES OF THE WORLD

REPORTER-PHOTOGRAPHERS, hundreds of them, constantly scour the world for "shots" that will make a news highlight more real . . . more interesting . . . more understandable. The single, business-like click of a camera and a thousand-word story is captured, all in an instant, to be presented in a manner more graphic than the words themselves could ever attain.

The scenes these men photograph number into the thousands daily. From this great number a careful selection is made. The chosen pictures, designed to aid you in the visualization of important news events or "human-interest" occurrences and individuals, are regularly offered by this newspaper.

This is our answer to a modern public's demand upon a modern newspaper for pictures of places, persons and incidents of world-wide interest.
